# Wistron Information Technology and Services Corp. Business Report

#### A. A review of 2019

The year 2019 has been a good year for Wistron ITS. We were able to quickly respond to all the challenges we faced in 2019 during the turbulent economy, and were able to achieve a new overall revenue record, reaching more than NT\$5 billion overall. Compared to 2018, we showed a 60% growth. Compared to the compound annual growth rate of 4% of the global IT service market, Wistron ITS showed an impressive 35% annual revenue growth.

The main reason for this increase in revenue lies in the emerging demand of new digital services, the need for digital transformation of current companies, as well as continuously increasing demand for product localization. The overall growth in China, Taiwan, Japan and US, if broken down by industries, shows that Wistron ITS still excels in the fields of IT high-tech, finance, telecommunication and manufacturing.

#### **B.** 2019 Financial Performance

Consolidated revenue reached NT\$5,323 million in 2019, an increase of 35 percent over NT\$3,953 million in 2018. Net income was NT\$413 million, increased 63 percent from the 2018 level of NT\$253 million. Basic earnings per share were NT\$6.23 in 2019.

Gross profit margin was 24.5 percent compared with 23.5 percent in 2018, while operating profit margin was 8.2 percent compared with 5.2 percent a year earlier. Net profit margin was 7.8 percent, an increase of 1.4 percentage points from 6.4 percent in 2018.

#### C. R&D Status

Aside from traditional mainstream technology demands from our clients, currently we are also involved in innovative technologies such as AI, big data, fintech, IoT and 5G applications, etc.

Following through the big data strategy, Wistron ITS continues to work in the field of big data storage, assisting our clients in digital behavioral analysis, optimizing digital procedures, developing digital channels, and offering personalized finance services, thus realizing the idea where digital drives the decision. With fintech becoming the latest trend, Wistron ITS assists clients in developing systems that focus on the use of big data, Open API, as well as corporate middle-platform set up. The Company seeks to break through current myths, and thinks outside the current structure finance institutions are in. This allows us to rapidly conduct innovative application development, and adjust in accordance to data received through market feedback, this ensures that the offerings, including the functions and services, fully satisfies the clients' needs, thus enhance their power of digital services.

In the field of AI technology, Wistron ITS has been in the field of smart healthcare for many years. We have practical applications of AI medical imaging, where we assist clients in setting up deep-learning models and algorithms, with detects and dissects organ images, vastly improving the positive reading rate of liver diseases. Aside form algorithm learning, AI software application development, Wistron ITS has also started to apply AI in researches such as smart tagging, segregated algorithms, as well as detection of lesions, specifically for the field of medical imaging data screening and tagging, that currently requires high manpower efforts. This allows us to lead the clients towards the new era of technology assisted healthcare.

#### D. Outlook of 2020

Looking towards 2020, the global economy is under waves of setbacks. Wistron ITS will continue to face these challenges with a positive but diligent and cautious attitude, with full risk assessments and control in place to ensure the continued development of our company.

In terms of mid-to-long-term plans, the Company still thinks there is more to be gained from the IT service markets. New technological breakthroughs are brought forth in the fields of AI, big data, fintech, IoT, and 5G technologies in both development and application. Digital transformation is also still a main issue for businesses, where they apply digital capabilities to improve their operation abilities, optimize user experience, and develop innovative business models. Such varied and strong demands are perfect for Wistron ITS who has been working in the fields for years, where we can, with our rich talent pool, successfully meet the growing demands of the market.

In 2020, the action plan of Wistron ITS is to 'enhance our own robustness, and obtain steady gains in profit'. We will continue our work in the four main markets of Taiwan, China, Japan and the US, where we will collaborate with quality clients on quality projects, and enrich our collaboration with exisiting major clients. With the challenge ahead being the global economy status being uncertain, we will continue to improve the robustness of Wistron ITS. Both 'talent' and 'competitiveness' are the foundation of the continuous growth of Wistron ITS. We consider the IT service business as a holistic 'human resource' business. We plan to further offer education and training to our employees, offering them a stage to grow and develop, and a sense of belonging. We hope to see that all our employees continue to improve in all aspects relating to clients, professionalism, IT technology, as well as service models, and thus increase the competitiveness of Wistron ITS in general. Only fully prepared, will we be able to grasp the opportunity, and create even better performance.

We would like to once again express our gratitude to your constant support and encouragement. It is with you, that the Company has been able to continue to grow. We will continue to create maximum profit available for our shareholders.

Sincerely Yours, and with warm regards,

Chairman: Ching Hsiao President: Ching Hsiao Controller: Phoebe Chang

#### **Independent Auditors' Report**

To the Board of Directors of Wistron Information Technology and Services Corporation:

#### **Opinion**

We have audited the consolidated financial statements of Wistron Information Technology and Services Corporation and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2019 and 2018, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2019 and 2018, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accounts, Ruling No. 1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China. Furthermore, we conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2018 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### 1. Revenue recognition

Please refer to Note 4(1) "Revenue" for accounting policy and Note 6(0) to the consolidated financial statements for the disclosure of revenue recognition.

#### Description of key audit matter

The Group is a listed company in related to public interest, and the investors are highly expecting the financial performance, resulting in revenue recognition is one of the key judgmental areas of our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing of the design and implement of controls over sales and collection of receivable transactions; evaluating if there is any significant abnormal changes through performing trend analysis on top 10 customers by comparing the difference between the actual number and the same period last year; assessing and testing the sale transaction voucher to confirm the accurately of revenue recognition; evaluating the adequacy of revenues recognition by testing the sale transactions during the period before and after the balance sheets date.

#### 2. Valuation of accounts receivable

Please refer to Note 4(g) "Financial Instruments" for accounting policy, Note 5 for accounting assumptions, judgments and estimation uncertainty of accounts receivable and Note 6(c) for the disclosure of the valuation of accounts receivable to the consolidated financial statements.

#### Description of key audit matter

The Group engaged in the information technology service industry. Resulting in significant judgment being applied in the management's assessment of the recoverability of accounts receivable. Consequently, this is one of the key judgmental areas of our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing the adequacy of the formula of the calculation for expected loss rate; testing the adequacy of aging report by tracing to related vouchers; evaluating the appropriateness of loss allowance and expected credit loss by testing if the loss allowance was made by expected loss rate; assessing if the evaluation document of loss allowance for accounts receivable was compliance with the Group's accounting policy; evaluating the adequacy of the disclosure of loss allowance for accounts receivable prepared by management.

#### Other Matter

Wistron information technology and services corporation has prepared its parent-company-only financial statements as of and for the years ended December 31, 2019 and 2018, on which we have issued an unmodified opinion.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
  that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya-Ling Chen and Ming-Hung Huang.

#### **Independent Auditors' Report**

To the Board of Directors of Wistron Information Technology And Services Corporation:

#### **Opinion**

We have audited the financial statements of Wistron Information Technology And Services Corporation ("the Company"), which comprise the balance sheets as of December 31, 2019 and 2018, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for Opinion**

We conducted our audit of the financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants Ruling No. 1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China. Furthermore, we conducted our audit of the financial statements as of and for the year ended December 31, 2018 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### 1. Revenue recognition

Please refer to Note 4(1) "Revenue" for accounting policy and Note 6(0) to the parent company only financial statements for the disclosure of revenue recognition.

#### Description of key audit matter

The Company is a listed company in related to public interest, and the investors are highly expecting the financial performance, resulting in revenue recognition is one of the key judgmental areas of our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing of the design and implement of controls over sales and collection of receivable transactions; evaluating if there is any significant abnormal changes through performing trend analysis on top 10 customers by comparing the difference between the actual number and the same period last year; assessing and testing the sale transaction voucher to confirm the accurately of revenue recognition; evaluating the adequacy of revenues recognition by testing the sale transactions during the period before and after the balance sheets date.

#### 2. Valuation of accounts receivable

Please refer to Note 4(f) "Financial Instruments" for accounting policy, Note 5 for accounting assumptions, judgments and estimation uncertainty of accounts receivable and Note 6(c) for the disclosure of the valuation of accounts receivable to the parent company only financial statements.

#### Description of key audit matters

The Company engaged in the information technology service industry. Resulting in significant judgment being applied in the management's assessment of the recoverability of accounts receivable. Consequently, this is one of the key judgmental areas of our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing the adequacy of the formula of the calculation for expected loss rate; testing the adequacy of aging report by tracing to related vouchers; evaluating the appropriateness of loss allowance and expected credit loss by testing if the loss allowance was made by expected loss rate; assessing if the evaluation document of loss allowance for accounts receivable was compliance with the Company's accounting policy; evaluating the adequacy of the disclosure of loss allowance for accounts receivable prepared by management.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya-Ling Chen and Ming-Hung Huang.

#### Appendix 3

# Wistron Information Technology and Services Corp. Rules of Transfering Repurchased Shares to Employees for 2020-1st

#### Article 1: Purpose

To motivate employees and to build cohesion among the employees, in accordance with Article 28-2, Paragraph 1, Subparagraph 1 of the "Securities and Exchange Act" and the "Regulations Governing Share Repurchase by Exchange-Listed and OTC-Listed Companies" issued by Securities and Futures Bureau, Financial Supervisory Commission R.O.C., the Company adopts "Rules of Transfering Repurchased Shares to Employees for 2020-1st" (The "Rules"). Except for those regulated by relevant laws or regulations, all shares repurchased and transferred to employees of the Company shall be implemented in compliance with the Rules.

Article 2: Content of the rights of shares to be transferred and restrictions on such rights. The shares to be transferred to employees are common shares. Rights and obligations are the same as other common shares outstanding, except for those regulated by relevant laws or regulations or in the Rules.

#### Article 3: Transfer period

The repurchased shares can be transferred to employees in one time or various times within 5 years from the date of share-repurchase in accordance with the Rules.

#### Article 4: Eligibility requirements for transferees

For full-time employees of the Company and its domestic and overseas subsidiaries who have joined the Company for more than three months on the subscription record date and who have special contribution to the Company being approved by Chairman are entitled to subscribe the amount specified in Article 5 of the Rules. A target transferee who quits employment (or is in long-term leave without pay) during the period starting from the subscription record date to the ending date for payment period of the subscription forfeits the eligibility of subscription.

The subsidiaries mentioned above are the companies over 50% of the common stocks of which are held directly or indirectly by the Company and with effective control.

Article 5: The determination of the numbers of shares to be subscribed by employees The number of shares to be subscribed by the employees shall be determined by the Company in consideration of employee's position, special contribution, and long-term development with the Company, and then report to the Chairman for approval.

#### Article 6: Procedures for transfer of shares

1. According to the resolution of the Board to make the announcement and filings and repurchase the shares of the Company within the execution period.

- 2. The Chairman is authorized in accordance with the Rules to establish and announce the subscription record date, the standard for subscription amount, the transfer price, the payment period of the subscription, the content of rights, the conditions of restrictions, and etc.
- 3. Calculate the actual number of shares being paid with subscription and process the registration of the transfer of shares.
- 4. Details will be specified in the Enforcement Rules for the above procedures, and then report to Chairman for approval and announcement.

#### Article 7: Transfer price per share

For the repurchased shares being transferred to the employees, the transfer price will be determined by the average price of shares purchased. If the Company's outstanding common shares increase or decrease before the transfer, it may be adjusted according to the increase or decrease ratio of the issued shares.

Formula for transfer price adjustment:

Adjusted transfer price= average actual repurchase price per share \*(Total number of outstanding common shares at the time of filing the repurchase of shares /Total number of outstanding common shares prior to the transfer of the repurchase shares to the employees)

#### Article 8: Rights and obligations after transfer

After the repurchased shares being transferred and registered under employees' names, unless otherwise specified, the rights and obligations of the shares are the same as the other common shares.

#### Article 9: Others

These Rules shall be effective from the date it is approved by Board of Directors, and reported to the Shareholders' Meeting. The same applies for amendment.

The Rules are enacted on March 27, 2020.
