## Wistron Information Technology and Services Corporation Business Report

#### A. Review of 2023

#### (A) Economic & Industrial Environment and Business Focuses

In 2023, in the face of a slowing global economy, weaker-than-expected post-pandemic recovery in China, and rising geopolitical risks, market uncertainty became a major challenge to operations. In addition to carefully evaluating market trends, WITS (Wistron ITS) continues to make adjustments to respond to market changes with agility and deepen partnerships. This strategy resulted in outstanding operating performance in 2023, helping the company reach new highs.

Facing the global wave of artificial intelligence in 2023, WITS continues to deepen its developments in the AI field and participate in the application of AI technology by clients in various industries, including smart driving, smart customer service, smart cloud, AI recommendation algorithms, AI auditing and lending, etc. AI-related applications will become one of the driving forces for business growth in the future. In order to stimulate innovative AI applications internally, the WITS team also successfully introduced generative AI into the employee service platform, named "Chat8855."

In the face of the scarcity of talent in the market, WITS has continued to build a diversified talent recruitment pipeline. As of the end of 2023, we have signed industry-academia partnerships with more than 10 tertiary education institutions across Taiwan to promote joint training programs, helping to nurture more outstanding and capable cross-discipline technology talents by providing innovative application scenarios and industry experience. At the same time, we have collaborated with more than five external training organizations to share resources and promote talent transformation, so as to build an efficient and competitive workforce and enhance delivery capacity and service quality.

Furthermore, WITS changed its trademark from "Wistron ITS" to "WITS" in 2023 to convey the value of its services with a brand-new image, demonstrating the Company's focus on a corporate culture of diversity, inclusivity, and friendly communication, as well as reinforcing the concept and spirit of corporate sustainability.

#### (B) Financial Performance and Operating Highlights

In 2023, WITS demonstrated its operational resilience and continued to create growth in the face of adversity. In 2023, consolidated revenue was NT\$8.84 billion, showing an annual increase of 11%, net profit was NT\$588 million, showing an annual increase of 6%, and basic earnings per share was NT\$8.49. Both revenue and

profits once again reached record highs, which is a remarkable achievement. Gross margin, operating margin, and net profit margin were 20%, 6.9%, and 6.7%, respectively, maintaining stable performance.

In 2023, business performance showed a steady upward trend, with double-digit revenue growth for the third consecutive year. Revenue performance in the Greater China market continued to be strong, with leading Internet clients continuing to play a major role in driving revenue growth based on a strong foundation of collaboration. Driven by the trend of green energy and the development of smart applications, key smart car clients maintained stable and rapid growth, which provided strong momentum for revenue. In addition, the continued development of Taiwan's financial industry also drove revenue growth. Through continuous operational optimization, operating income and net profit increased quarter by quarter, resulting in a remarkable profit performance. Profits and basic earnings per share have simultaneously reached a record high.

#### (C) Corporate Sustainability and Qualification Honors

WITS' commitment to sustainability has earned it the Bronze Award for SDG8 - Decent Work and Economic Growth of the third annual TSAA Taiwan Sustainability Action Award in 2023. At the same time, WITS has been recognized for its environmental, social, and corporate governance practices. WITS has obtained ISO 14064 greenhouse gas emissions certification, moving us closer to the goal of net zero carbon emissions. WITS has built a corporate culture of diversity and inclusion, career empowerment, and talent sustainability, winning the Best IT Employer award in the first "IT Matters Awards." WITS ranked among the top 5% of TPEx listed companies in Corporate Governance Evaluation for three consecutive years, and top 5% of small mid-cap companies again in this year, demonstrating how WITS has continued to improve and implement corporate governance.

#### B. Outlook for 2024

As WITS looks ahead to 2024, the global economic market continues to fluctuate at its lowest point, which will create numerous challenges. Although the economic outlook for China is highly uncertain, WITS has been cultivating the Internet market in China for several years and has established long-term partnerships with a number of leading companies. WITS expects to maintain steady growth. At the same time, WITS, as an early entrant into the smart car industry, has successfully seized the first opportunity to establish a solid market foundation.

Based on the development of these two fields of business, WITS' forward-looking strategy reflects insight into market trends. In addition to deepening the development of core clients, WITS will also continue to explore the markets for new technologies. It will actively explore the areas of innovation and ESG, and improve the technological ecosystem to achieve the collaboration and resource integration in partnerships, in order to provide reliable AI applications and professional cloud services to help clients continue to take the lead in the digital wave. WITS will also realize the comprehensive deployment of digital innovations through the introduction of smart tools in the internal

operating process. As the ESG trend gradually gains global attention, WITS will apply our software technology service capabilities to assist clients in realizing sustainable corporate resource management and digital transformations, in order to seize a share of the growing ESG business opportunities.

In addition, WITS is actively promoting the "WITS 3.0" for 5-year development plan, which upholds the spirit of "Delivering Excellence for Client Success." With a focus on clients, WITS continues to establish a value ecosystem with partners, talents, and employees. In addition to understanding the needs of clients and establishing long-term and trustworthy partnerships, WITS will also actively focus on the cultivation of software talents, promote the establishment of an international talent ecosystem, and expand the area of contact with outstanding talents around the world. In the future, WITS will continue to enhance the value of services, strengthen the long-term competitiveness of the Company, and join hands with top clients around the world to create an innovative vision of the future and realize a better world.

#### **Independent Auditors' Report**

To the Board of Directors of Wistron Information Technology and Services Corporation:

#### **Opinion**

We have audited the consolidated financial statements of Wistron Information Technology and Services Corporation and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### Valuation of notes and accounts receivable

Please refer to Note 4(g) "Financial Instruments" for accounting policy, Note 5 for accounting assumptions, judgments and estimation uncertainty of notes and accounts receivable and Note 6(b) for the disclosure of the valuation of notes and accounts receivable to the consolidated financial statements.

#### Description of key audit matter

The Group engages in the information technology service industry. Resulting in significant judgment being applied in the management's assessment of the recoverability of notes and accounts receivable. Consequently, the valuation of notes and accounts receivable is identified as the key matter in our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing the adequacy of the formula of the calculation for expected loss rate; testing the adequacy of aging report by tracing to related vouchers; evaluating the appropriateness of loss allowance and expected credit loss by testing if the loss allowance was made by expected loss rate; assessing if the evaluation document of loss allowance for notes and accounts receivable was compliance with the Group's accounting policy; evaluating the adequacy of the disclosure of loss allowance for notes and accounts receivable prepared by management.

#### **Other Matter**

Wistron Information Technology and Services Corporation has prepared its parent-company-only financial statements as of and for the years ended December 31, 2023 and 2022, on which we have issued an unmodified opinion.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRIC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huang, Ming-Hung and Tang, Chia-Chien.

#### **Independent Auditors' Report**

To the Board of Directors of Wistron Information Technology and Services Corporation:

#### **Opinion**

We have audited the financial statements of Wistron Information Technology and Services Corporation ("the Company"), which comprise the balance sheets as of December 31, 2023 and 2022, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### Valuation of accounts receivable

Please refer to Note 4(f) "Financial Instruments" for accounting policy, Note 5 for accounting assumptions, judgments and estimation uncertainty of accounts receivable and Note 6(b) for the disclosure of the valuation of accounts receivable to the parent company only financial statements.

#### Description of key audit matters

The Company engages in the information technology service industry. Resulting in significant judgment being applied in the management's assessment of the recoverability of accounts receivable. Consequently, the valuation of accounts receivable is identified as the key matter in our audit.

#### How the matter was addressed in our audit

Our principal audit procedures included testing the adequacy of the formula of the calculation for expected loss rate; testing the adequacy of aging report by tracing to related vouchers; evaluating the appropriateness of loss allowance and expected credit loss by testing if the loss allowance was made by expected loss rate; assessing if the evaluation document of loss allowance for accounts receivable was compliance with the Company's accounting policy; evaluating the adequacy of the disclosure of loss allowance for accounts receivable prepared by management.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huang, Ming-Hung and Tang, Chia-Chien.

## Wistron Information Technology and Services Corporation Rules of Procedure for Shareholders Meeting

- Article 1 The procedures for the Company's Shareholders meeting (The "Meeting"), except as otherwise provided by law, regulation, or the Company's Articles of Incorporation, shall be implemented in accordance with these Rules.
- Article 2 The Company shall specify in its Shareholders meeting notices the time during which shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the Meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

Shareholders attending the Meeting shall sign in. The sign-in procedure is performed by submitting a sign-in cards. The number of shares in attendance shall be calculated according to sign-in cards handed plus the number of shares whose voting rights are exercised by correspondence or electronically.

Shareholders and their proxies (collectively, "shareholders") shall attend the Meeting based on attendance cards, sign-in cards, or other certificates of attendance. Solicitors soliciting proxy forms shall also bring identification documents for verification.

- Article 3 Attendance and voting at the Meeting shall be calculated based on the number of shares.
- Article 4 The venue for the Meeting shall be the premises of the Company, or a place easily accessible to shareholders and suitable for the Meeting. The Meeting may begin no earlier than 9 a.m. and no later than 3 p.m.
- Article 5 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than 1 hour, may be made. If the quorum is not met but the attending shareholders represent one third or more of the total number of issued shares, pursuant to Article 175, paragraph 1 of the Company Act, a tentative resolution may be adopted. All shareholders shall be notified of the tentative resolution and another meeting shall be convened within 1 month.

When, prior to conclusion of the Meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the Meeting pursuant to Article 174 of the Company Act.

Article 6

If the Meeting is convened by the Board of Directors, the Meeting shall be chaired by the Chairman of the Board of Directors. In case the Chairman is on leave or absent or unable to exercise his power and authority for any cause, the Chairman shall appoint one of the directors to act as chair. Where the Chairman does not make such a designation, the directors shall select from among themselves one person to serve as chair. When a director serves as chair, the director shall be one who has held that position for six months or more and who understands the financial and business conditions of the Company. The same shall be true for a representative of a juristic person director that serves as chair. If the Meeting is convened by a party with power to convene but other than the Board of Directors, the convening party shall chair the Meeting.

Article 7

The Company may appoint its attorneys, certified public accountants, or related persons retained by it to attend the Meeting in a non-voting capacity.

Article 8

The Company, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the Meeting, and the voting and vote counting procedures. The recorded materials shall be retained for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 9

If the Meeting is convened by the Board of Directors, the meeting agenda shall be set by the Board of Directors. The Meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the Meeting. The provisions of the preceding paragraph apply the same to the Meeting convened by a party with the power to convene that is not the Board of

Directors.

The chair may not declare the Meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the Meeting. If the chair declares the Meeting adjourned in violation of the Rules of procedure, may elect a new chair by agreement of a majority of the votes represented by the attending shareholders, and then continue the Meeting.

Article 10

Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number, and account name. The order in which shareholders speak will be set by the chair. A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail. When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair

and the shareholder that has the floor; the chair shall stop any violation.

Article 11 Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. When a juristic person is appointed to attend as proxy, it may designate only

one person to represent it in the Meeting. When a juristic person shareholder appoints two or more representatives to attend the Meeting, only one of the

representatives so appointed may speak on the same proposal.

If the shareholder's speech violates the rules in the preceding 2 paragraphs, exceeds the scope of the agenda item, or is out of order, the chair may stop or terminate the speech. After an attending shareholder has spoken, the chair may respond in person or designate relevant personnel to respond.

Article 12 The chair shall allow ample opportunity during the Meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 13 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of the Company. Vote counting for meeting proposals or elections shall be conducted in public at the place of the Meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the Meeting, and a record made of the vote.

> For the election of directors and independent directors, the voting results shall be announced on-site immediately, including the names of those elected as directors and independent directors and the numbers of votes with which they were elected, and the names of directors and independent directors not elected and number of votes they received. The ballots for the election shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 14 A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

> Except as otherwise provided by the Company Act or the Company's Articles of Incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders.

> At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders.

> When there is an amendment or an alternative to a proposal, the chair shall

present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Article 15 When the Company holds a Shareholders meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of the Meeting.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company before two days before the date of the Shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the Shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two days before the date of the Shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail.

When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a Shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Article 16 Staff handling administrative affairs of the Meeting shall wear identification cards or arm bands.

The chair may direct the proctors (or security personnel) to help maintain order at the meeting place. When proctors (or security personnel) help maintain order at the meeting place, they shall wear an armband bearing the word "Proctor."

At the place of a Shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the Meeting.

Article 17 When a Meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the Meeting

temporarily suspended and announce a time when, in view of the circumstances, to resume the Meeting; or a resolution may be adopted at the Meeting to defer or resume the Meeting within 5 days in accordance with Article 182 of the Company Act.

Article 18 These Rules, and any amendments hereto, shall be implemented after adoption by shareholders' meetings.

The Rules were enacted on June 28, 2002

The 1st amendment was made on April 26, 2010

The 2nd amendment was made on October 8, 2010

The 3th amendment was made on June 25, 2013

The 4th amendment was made on June 22, 2020.

The 5th amendment was made on May 26, 2022.

#### **Chapter V Managerial Officers**

Article 19 The company may have one or more managerial officers, whose appointment, discharge and compensation will be determined in accordance with Article 29 of the Company Act. Subject to the authority prescribed by the Board of Directors, the officers shall be empowered to manage the operation of the Company and to sign relevant business documents for the Company.

#### **Chapter VI Accounting**

- Article 20 The Board of Directors shall prepare the following statements and records after the end of the fiscal year:
  - 1. Business report;
  - 2. Financial statements;
  - 3. Surplus earning distribution or loss off-setting proposals, which shall be submitted to Regular Shareholders meeting for approval in accordance with the laws and regulations.
- Article 21 If the Company has profit (referred to the profit before tax, excluding the employees' profit sharing bonus and directors' remuneration) as a result of the yearly accounting closing, the profit shall be distributed in accordance with the following provisions provided. However, the Company's accumulated losses shall have been covered.

No less than 10% of the profit from current year as employees' profit sharing bonus. The Company may distribute profit sharing bonus in the form of shares or in cash to employees, including the employees of subsidiaries of the Company meeting certain specific requirements which determined by the Board of Directors:

No more than 2% of the profit from current year as directors' remuneration in

cash.

Article 21-1 If the Company has surplus profit, shall first pay all taxes and dues and cover accumulated losses, and then set aside ten percent of such profits as a legal reserve (not applied if the legal reserve amounts to the paid-in capital). Afterwards, set aside or reverse special reserve in accordance with laws and regulations enacted by authorities. The remaining balance will combine with unappropriated retained earnings at beginning and serve as distributable earnings. No less than 5% of the distributable earnings shall be appropriated as shareholders' dividends and bonuses. Proposal for distribution of earnings shall be proposed by Board of Directors and submit to Shareholders meeting for ratification.

In consideration that the development of the Company is in its stable growing phase, the Company adopts residual dividend policy to meet its long-term investment plan for sustainable business and continuous growth. Dividend distributed by cash shall be no less than 10% of the sum of cash dividends and stock dividends.

#### **Chapter VII Supplementary Provisions**
